Vol. XXXIII

Dedication

We, the annual staff would like to dedicate the 1974-75 Hialitza to Mr. Dudley Taylor, who unselfishly gave 32 years of service to the Thorp Schools. He taught the fifth and sixth grades since 1943. We will all miss him and wish him the best of luck in the years ahead.

1974-75 has been a transition period for the girls' sports program.

This past year, the volleyball team has spent their entire season developing skills and techniques such as digs, sets, spikes and defensive plays that have prepared them for the 1975-76 seasons of events.

This year the team played against Ellensburg, Kittitas, Selah and Cle Elum. The season was highly successful with many wins. The new school year will present special challenges and competition in the Volleyball League.

The softball team, consisting of grades 8-12 played Ellensburg once and won.
